Call for papers

The BEA 2014 Conference Planning Committee is calling for expressions of interest for papers and workshops at the Biennial Conference on Thursday 2 and Friday 3 October 2014 at Notre Dame University, Fremantle, Western Australia. The conference provides a forum for the teaching and learning of economics and business education and associated studies for colleagues across Australia and New Zealand. The Conference will also provide the opportunity for participants to be up-dated on the Australian Curriculum.

Sessions are 60 minutes in length. Presentations may relate to:
- business, economics, legal and enterprise education
- civics and citizenship education, consumer and financial literacy
- best practice pedagogy
- using Web 2.0 tools and social networking
