Friday 3rd March 2017

Venue: NSW Department of Education Building, 3B Smalls Road, Ryde NSW

This course has been designed for beginning teachers and experienced teachers who are teaching the Year 11 Preliminary Business Studies course for the first time in 2017. It will also be beneficial for teachers who may have already taught this course in the past but who need a refresher course, or teachers who intend to teach this course in the near future. This course will look at effective teaching and learning strategies designed to engage students, based on the current NSW Education Standards Authority Preliminary Business Studies syllabus. It will also cover programming ideas and assessment procedures and techniques. Useful teaching and learning resources will be available for each participant. This course will be presented by experienced teachers who will share their own experiences of teaching during the challenging early years.

NB. Please bring a copy of the Business Studies syllabus and your school’s teaching program.
