Economic Skills in the HSC Economics Course

Wednesday 12 February 2020

4.15pm – 7.40pm

Venue: Professional Teachers' Council NSW 67 – 73 St. Hilliers Road Auburn NSW 2144

Presenter: Gavin Brennan – EBE NSW Director/Alpha Omega Senior College

The HSC Economics course includes a range of mathematical and graphing skills that students (and teachers!) often struggle with. While some of these skills are prescribed in the syllabus, others are not directly mentioned but still appear in HSC examinations. This workshop is a crash course for teachers on the skills they need to teach their Year 12 Economics students. It is ideal for new teachers of economics, or any teachers who want to refresh or refine their knowledge. The session will include explanations of each skill, modelled application of the skills, examples from HSC exams, suggested teaching strategies, and time for you to practice the skills you have learnt.

4.15pm	Registration, Tea/Coffee/Water, Networking
4.30pm	Part One: Skills in Economic Issues
6pm	Light Refreshments and Networking
6.30pm	Part Two: Skills in The Global Economy, Australia's Place in the Global Economy, and Economic Policies
7.30pm	Certificates and Evaluation Forms
7.40pm	Close
